CROWLEY
HOUSE OF
HOPE

MAYOR'S *fall food Drive*

As October dawns, Crowley House of Hope prepares for its busiest season. We invite you to join Mayor Billy Davis of the City of Crowley for this year's Mayor's Fall Food Drive and stock our food pantry to ensure that local families in need have enough to eat.

Our goal is to gather 10,000 pounds of shelf-stable food during the inaugural Mayor's Fall Food Drive. Donating is easy, and we hope you can help! Simply pick up a few extra canned or shelf-stable food items and drop them off during October. It's even easier when you plan to bring them to one of these three community drop-off events.

This year, the need is more urgent than ever. Crowley House of Hope is now serving so more families than this time last year. The majority of these families are working, yet they struggle to make ends meet. The need is growing, and your donation of any size will make a significant impact. Be part of this good work and make a difference in our community!

Thanksgiving Basket Project

The long-standing tradition of Thanksgiving Baskets is back! This year, bags with a list of requested holiday food items will be deployed across our community for generous donors to fill. These bags, 1,000 of them to be exact, will then be distributed to local families who sign-up for a voucher in the month of October.

We still need commitments for the last 352 bags so if you are part of a community group or local congregation and would like your group to participate please contact Crowley House of Hope today!

Small Business Saturday

Crowley House of Hope's Thrift Store is open on Saturday, November 30, 2024, to celebrate Small Business Saturday! For many years, Crowley House of Hope has operated our Thrift Store, thanks to the generous support of our community.

The Thrift Store accepts new and used items from our community and then resales these items for funds. These funds then make it possible to provide food and financial assistance, work wear assistance, free medical care, and seasonal programs for children. For decades, the Thrift Store – a thriving small business in the heart of Crowley – is the heart of the good work of Crowley House of Hope.

We invite you to stop by on Small Business Saturday to shop our amazing selection of gently used and new items. The store will be newly stocked, and there will be doorbuster sales and a few new and fun things to do. Shop small and be hope in the Crowley community!
