CROWLEY  
HOUSE OF  
HOPE

## You are CHOICE, CONNECTIONS, & HOPE

It's true! Our community of supporters makes it possible to provide choices, make connections, and be hopeful for those facing uncertainty. But just what does this uncertainty look like in our community? Here's a glimpse into the work of Crowley House of Hope over the past eleven months...

Choice offers our guests dignity in their time of need. The opportunity to choose the food you need for your family or the ability to select clothing items specific to everyone in your home is empowering. This empowerment is positive energy that can boost self-worth and lead to better outcomes for local families.

### Food Assistance

7765 Duplicated Families Served

Represents 31,872 Duplicated Individuals

### Clothing Assistance

3,141 Free Clothing Items Provided

Equals \$,391 in Clothing Assistance

Financial assistance and free medical care are two programs that take a deep dive into the lives of those we serve. Families and individuals openly discuss their needs, the needs they are unable to meet themselves. They are vulnerable and allow us into their most private parts of life. In this sacred space, connections and solutions are possible. In this sacred space, hope abounds.

### Financial Assistance

154 Families Served

\$52,977 in Rent and Utility Assistance

### Medical Care

194 Duplicated Patients Served

*We received a notification that our electricity bill was paid. I cannot thank you enough, not just for the monetary assistance but also, the time and effort you put into helping us! I know there are many families that need help. I feel so blessed that we were one of the fortunate ones!*
