CROWLEY
HOUSE OF
HOPE

As summer dawns and local children look forward to the lazy days ahead, Crowley House of Hope is already preparing for our annual Back to School program. In years past, Back to School has prepared hundreds of local students to return to school with new backpacks filled with grade-appropriate school supplies and gift cards for the purchase of new school clothes. Back to School guarantees these students are ready to learn on the first day of class, alleviating many families' stress in getting their students ready for the new school year.

Back to School positively supports a child's education, which is vitally important for their current growth and development and future endeavors. While Back to School is a fun time for participants, we understand this simple opportunity's impact on these children and our community.

This year, as we continue to work to support local children, we are asking for your support. Back to School costs approximately \$10,000 annually – this year, we anticipate the per student cost to be \$40.00. These funds are used to purchase backpacks, school supplies and \$25.00 clothing only gift cards. This year, we need your help and invite you to consider a financial contribution that will prepare these children for the first day of school and for every day after.

Your investment in these children will go a long way toward providing the tangible needs of returning to school, but it will also foster intangible results as wide smiles replace worry and stress. For additional information about giving to Crowley House of Hope, email Elizabeth Becker, Executive Director, at elizabeth@crowleyhoh.org or call 817-297-6400.
