Holiday Joy Coming to Crowley Families

Thanksgiving Baskets and Share the Love programs available now.

As the weather turns cooler and the leaves begin to fall we turn our attention towards the upcoming holiday season. For many, especially this year, the holidays will be a difficult time. Some are still unemployed. Others are underemployed and unable to meet all of their household expenses. Still others have just now returned to work and will need time to recover financially. The fear of not being able to provide those little extras during the holiday season is a reality for some of our neighbors. Crowley House of Hope is here to help these families withstand this time with dignity and hope.

Thanksgiving Baskets

A Thanksgiving meal is a time honored tradition for many. So is the annual **Thanksgiving Basket** program at Crowley House of Hope. This year we've deployed more than 400 reusable grocery bags complete with shopping lists to local partner congregations and community groups to fill. These bags will then be distributed to families that utilize Crowley House of Hope's food pantry services just in time for Thanksgiving.

Share the Love

The joy of children unwrapping toys on Christmas morning is priceless. **Share the Love**, Crowley House of Hope's annual toy assistance program, means that many children, and their parents, will experience this joy. Crowley House of Hope's troop of elves is already making plans and gathering toys for parents and caregivers to choose from as we **Share the Love**.

As always, your help is vitally important - here is how you can be apart of the joy this holiday season:

- Make a financial donation designated to one or both of these holiday programs. A designated gift will be used for things such as, food for **Thanksgiving** and toys and gift cards for **Share the Love**.
- Pick-up a toy for a child, especially children ages 6 to 12. We'll add your toy donation to our **Share the Love** selection. Be sure to drop off your toy donation by December 12.
